UNITED STATES & PHILIPPINES,)	Hon. <u>Karen Frink Wolf</u>
<i>Defendants.</i>)	Magistrate Judge Presiding

NOTICE

I, plaintiff ANDREW U. D. STRAW, make the following NOTICE:

FACTS

1. The Philippines has suggested that I owe several thousand dollars in Immigration Fines for not renewing my tourist visa, with RSPPU asking those fines to be waived because the 6-year delay is not my fault.
2. If this Court declares that the Philippines was not constitutionally granted independence via the Act I challenge here, that means the government of the Philippines may not impose immigration fines on me, *per forza*.
3. This lends even more weight and urgency to the need to make the declarations I ask.
4. Given I have claimed the USA has violated me via its state and federal courts that keep accusing me of frivolous filings when I have never filed anything frivolous in any court, always with fact and law that I assert, whether I am in the United States or not adds another dimension to my asylum claim.

5. If this is in fact the United States, I can't claim asylum in the Philippines as part of the United States **against** the United States. If I want that status, I will have to go elsewhere. But I won't need it to stay in the Philippines. If it is still a territory of the United States, my U.S. passport is evidence of my U.S. citizenship and right to be here in the Philippines, as well as own land or anything else a U.S. citizen has a right to do inside the United States.
6. There are so many things riding on the unanswered questions before this Court from my COMPLAINT.
7. I hereby incorporate by reference CPA letter issued by the Philippines Department of Justice as **Exhibit 1**.

WHEREFORE, I make this NOTICE with **Exhibit 1**.

I, *plaintiff* Andrew U. D. Straw, verify that the above factual contentions and statements are true and correct to the best of my knowledge, information, and belief, on penalty of perjury. Signed: **August 3, 2025**.

Respectfully,

s/ ANDREW U. D. STRAW
